Our Star Pupils have been

- Ernie Stevens
- Zane Irwing
- Nathan Beechey
- Fabio D'Andrea Bailey

Congratulations all of you.

You have probably noticed that the car park gates has been closed for the last few days. I have major concerns about children using the car park, especially when members of staff need to leave at the end of school for childcare reasons. Please keep an eye on your child when they are “released” by the teacher.

Our attendance rate since September has been 97.5% - an amazing rate, so many other schools are envious of us. Unfortunately we are still having children arriving after 9am. Last Monday there were 17 latecomers – that is 18% of the school! Please ensure that your child is in school for the start of the morning.

The curators at Pitts River Museum said that our Falcons and Eagles were the best behaved school they had had as visitors and Mrs France and Mrs Cooper reported that our choir were really well-behaved at the Town Hall rehearsal. Well done to all of you who represented our school so well.

Complaint

We have received a complaint from the two ladies that own the field across the road. Despite previous requests, parents are still using the entrance to the field to turn around and this has resulted in damage to their entrance. Please continue past their driveway down to Green End Road where you can turn round. The ladies have started to take down the registration plates of persistent offenders.
